

Sensua! Kiss™

Naturally Yours

*Do chapped, dry lips make you look & feel older?
Are you frustrated with lip products that don't deliver results?*

Do you long for smooth, full, plumped, beautiful, younger looking lips?

Sensua! Kiss™ is your solution!

Women around the world desire a beautiful, natural look. Lips present a unique challenge for two reasons:

- They're much more delicate than facial skin
- They're subject to more stress than eyes and facial skin

Dozens of lip products have come and gone. Sensua! Kiss was developed using the purest ingredients and patented technology for guaranteed results.

The key to Sensua! Kiss is based on what we like to call "The Sensuality of Science." Sensua! Kiss is formulated with only the best, essential, purest of ingredients a woman's lips need for that full, moist, sexy look.

The Sensuality of Science

The Science of Sensuality guides the development of this innovative, breakthrough product using the secrets of Mother Nature to help "turn back the clock."

Here's how Sensua! Kiss key ingredients restore, renew and rejuvenate your lips:

INGREDIENT	BENEFITS
Shea Butter	Tropical, rich moisture • anti-inflammatory humectant for moisture retention • natural sun block (SPF-6)
Mango Butter	Tropical fruit • rich in phyto-nutrients, Vitamin C, polyphenols, Pro Vitamin A and Vitamin A derivatives
CoQ10	Anti-aging 'fountain of youth' enzyme • enhances cell health reduces oxidation, creates energy, rejuvenates cells
Green Tea	Promotes anti-aging • potent antioxidants high in polyphenols • includes Vitamin E, chromium, selenium, zinc (for healing and soothing)
L-arginine	A natural occurring amino acid • primary healing agent promotes immune function • improves overall skin health, smoothness, firmness
Hyaluronic Acid	Increases moisture • required for proper skin hydration
